

FIFTH MEETING OF THE STANDING COMMITTEE
24 – 25 June 2008, Bonn, Germany

FINANCIAL AND ADMINISTRATIVE MATTERS

REPORT ON INCOME AND EXPENDITURES FOR 2007 AND 2008
Prepared by the Secretariat

INTRODUCTION

At the 3rd Meeting of the Parties the budget proposal for 2006-2008 was adopted by Resolution 3.14. Furthermore, it was agreed to split the budget into three pillars, namely a core budget (pillar 1) to be covered by the annual contributions of Parties, and a second and third pillar dealing with projects to be funded through voluntary contributions received from various other sources. Regarding the latter, MOP3 decided to establish a second Trust Fund, which has meanwhile been done. It was also agreed that as from 2006 the budget would be in Euros to avoid US Dollar exchange-rate losses, which had caused some problems in the past.

This report in income and expenditures was produced by the Secretariat in close cooperation with the common Administrative Unit of CMS. The source of information used was IMIS (Integrated Management Information System).

ACTIONS REQUESTED

The Standing Committee is requested to:

1. review and approve the information given in this report and if necessary to provide guidance and advice to the Secretariat on these matters;
2. To take note that the second Trust Fund AVL has been established;
3. To take note that the surplus from the Core Budget (AWL) has been forwarded to 2008.

FINANCIAL OVERVIEW / OVERVIEW OF INCOME AND EXPENDITURE FROM ANNUAL CONTRIBUTIONS

YEAR 2007

CORE BUDGET (AWL)

1. Expenditures

The remaining balance in 2007 was € 85,127.21, which also includes the 13 percent overhead for UNEP (see Annex 1). This means the surplus amounted to 8.7 percent only. In accordance to the UN Rules and Regulations the surplus has been transferred to the same budget lines in 2008.

2. Income

The annual contributions for Contracting Parties to the Agreement represent the income that is needed to cover the Core Budget. The situation as of the end of 2007 is shown in Annex 2. This overview shows a very healthy situation with a surplus of € 264,462 due to the fact that several countries decided to pay their due annual contributions for the whole period of 2006-2008 at once.

VOLUNTARY CONTRIBUTIONS (AVL)

The General Trust Funds AVL for Voluntary Contributions to AEWA shows the actual expenditures of earmarked contributions received (see Annex 3). The Secretariat would like to thank all Governments and organisations that have provided grants to the Secretariat. Nearly all projects mentioned there have been contracted out and are currently being implemented. The total amount of voluntary contributions accrued in 2007 is € 227.648 (Annex 4).

YEAR 2008

CORE BUDGET (AWL)

1. Expenditures

The figures presented in Annex 5 'AWL (Core Budget) Overview Expenditures 01.06.2008' show the situation on 1 June 2008. Most of the figures given are self-explanatory. Currently no real problems are expected until the end of the year, assuming that sufficient voluntary contributions will be received to cover the costs of MOP4.

2. Income

As of 1 of May 2008, the total amount of unpaid pledges for 2008 and previous years was only € 259,979 (Annex 6).

VOLUNTARY CONTRIBUTIONS (AVL)

Annex 7 shows the total amount received in 2008 until the 31st of May for earmarked activities.
