Getting there

No travel, hotel or participation costs can be covered by the hosts. Participants (government representatives and their invited experts) are kindly asked to make their own travel arrangements to Nordens Ark.

The best way to reach Nordens Ark with public transport is by bus. Participants arriving to Sweden via Gothenburg Landvetter or Gothenburg City airports are advised to take the airport shuttle bus to Gothenburg central bus station (Nils Ericson terminal). From there take bus nr. 841 (going to Lysekil) to the Torp terminal in Uddevalla. Then transfer to bus nr. 860 (going to Kungshamn or Smögen). This bus stops directly in front of Nordens Ark. The bus trip from the center of Gothenburg takes approximately 2 hours in total and costs around 100 kr one way (approx. 9 €). Tickets must be bought in advance. This can be done at the bus station in Gothenburg.
