#### In-session document procedure

During the meeting, revised draft resolutions resulting from the work of the Finance & Administration and Scientific & Technical Working Groups will be numbered consecutively as **Rev. (revision)**. The revisions will include track changes and will be uploaded on the MOP8 website, in the “In-Session Documents” section:

<https://www.unep-aewa.org/en/meeting/8th-session-meeting-parties-mop8-aewa>

The final revised draft resolution, which will not indicate track changes, will be presented to the plenary on the last day of the session for adoption.
