**Subject: International Single Species Action Plan, Lesser White fronted Goose**

Dear Ms Bert Lenten,

Romania is much appreciating all efforts done by you and AEWA Secretariat for coping with all difficulties in protecting bird species according to the Agreement.

We have to ask for apology for our delayed answer regarding the status of all official documents including the national report. However, in principle, we are supporting the amendment proposals compiled by the Secretariat.

Please accept our gratitude for your hard work and excellent results.
