

**10<sup>th</sup> MEETING OF THE STANDING COMMITTEE**  
*8-10 July 2015, Kampala, Uganda*

---

**REPORT OF THE SECRETARIAT ON FINANCE AND  
ADMINISTRATIVE ISSUES 2013 - 2015**

*Prepared by the UNEP/AEWA Secretariat*

**Introduction**

At the 5<sup>th</sup> Session of the Meeting of the Parties to AEWA, the core budget for 2013-2015 was adopted through Resolution 5.21. The Secretariat reported on financial and administrative matters to the Standing Committee at its 9<sup>th</sup> meeting (18-19 September 2013, Trondheim, Norway).

The present document aims at reporting on staffing issues and on income and expenditure for the period 1 January 2013 –15 June 2015.

**Action Requested from the Standing Committee**

The Standing Committee is requested to review and approve the information provided in the report.

## **1. Staffing (January 2013 – June 2015)**

### **Regular staff**

The position of the Executive Secretary was advertised at the P-4 level in October 2012 on basis of the decision made at the 5<sup>th</sup> Session of the Meeting of the Parties (MOP5) in May 2012 to maintain the position at P-4 level despite the fact that the post had been classified as P-5 post by UNEP (Resolution 5.21).

Dr Marco Barbieri, had been nominated as Acting Executive Secretary of AEWA on an interim basis from 2 May 2011 until October 2011, after which the CMS Deputy Executive Secretary Mr Bert Lenten took over the role of Acting Executive Secretary on a part-time basis until May 2014. The new Executive Secretary, Dr Jacques Trouvilliez, entered on duty on 1 June 2014.

The position of the Associate Programme Officer (Coordinator of the African Initiative) was filled on 4 May 2015 after a long recruitment process. For the period until May 2015, the Secretariat found short-term solutions to keep the activities under this important position running.

As instructed by Resolution 5.21, the UNEP/AEWA Secretariat secured voluntary contributions from the Federal Office for the Environment in Switzerland to extend the part time post (50 %) approved in the core budget, to a full-time position from January 2013 until December 2015. To maintain this position at 100 %, the Secretariat will depend upon additional voluntary contributions as of January 2016.

### **Temporary staff**

The full-time position of the Associate Programme Officer for Single Species Action Plan Support and the coordination and implementation of the Lesser White-fronted Goose International Single Species Action Plan has been secured for an additional three years until 2017. The Secretariat is grateful to the Norwegian Environmental Agency for its continuous support of this important position. It is very much hoped that additional funding will be made available to secure this post as of January 2018.

The full-time position of the Programme Assistant for the African Initiative has been generously financed by the Government of Germany for the duration of three years (January 2013 until December 2015). It is very much hoped that the Parties will approve a part time position (50 %) in the core budget 2016-2018 to keep the African Initiative running. As in the case of the Coordinator of the African initiative, the remaining 50 % will depend on voluntary contributions as of January 2016.

The part-time (30 %) position of the Programme Assistant to assist with the preparation of the 6<sup>th</sup> Session of the Meeting of the Parties (MOP6) was established on 1 June 2014 until December 2015. Due to the general lack of G-staff support within the Secretariat, it is very much hoped that voluntary contributions could be found to extend the contract for this part-time position as of 1 January 2016.

### **Interns**

### Income

Annex 1 summarizes the status of collection of annual compulsory contributions from Contracting Parties as at 15 June 2015. The assessed contributions 2013-2015 approved by MOP5 stand at EUR 2,708,778. The overview shows a generally healthy income situation. Unpaid pledges amount to a total of EUR 449,111, split up as follows: EUR 204,212 for 2014 and previous years, and EUR 244,899 for 2015. Advanced payments for future years amount to EUR 2,928. The UNEP/AEWa Secretariat regularly reminds Parties of outstanding contributions for the current and previous years.

### Expenditure

Annex 2 shows the implementation of 2013-2015 core budgets as at June 2015. Budgets for the years 2013, 2014 have registered positive end-year balances of EUR 91,184 and EUR 190,879 respectively. An over-expenditure of EUR 65,453 is however forecasted for the year 2015 with the first quarter of 2015 being in line with expectations and higher expenditure foreseen towards the end of the year in connection with the organization of the MOP6.

### Trust Fund balance

The Trust Fund balance for assessed contributions as at 31 December 2014 amounted to USD 1,085,137 (which is inclusive of the Operating Reserve of a constant level of at least 15 per cent of the estimated annual expenditure or € 150,000, whichever is higher).

### **3. Voluntary Contributions (AVL) - Overview of collection January 2010 – September 2011)**

In addition to the annual contributions paid by Parties towards the AEWA core budget (AWL) the Secretariat also received voluntary contributions from different Governments and organizations that were earmarked for certain activities. These voluntary contributions are managed in the second Trust Fund (AVL). Annexes 3, 4 and 5 summarize the voluntary contributions to the AVL Trust fund in 2013, 2014 and 2015 (1 January to 15 June) respectively. The pledged voluntary contributions amounted to EUR 405,288 in 2013, EUR 406,704 in 2014 and EUR 208,677 in 2015. The Secretariat would like to thank all Governments and organizations that have provided contributions to AEWA.
