

**20<sup>th</sup> MEETING OF THE TECHNICAL COMMITTEE**  
*24-28 February 2025, Mikulov, Czech Republic*

---

**GUIDANCE FOR REPORTS BY THE REGIONAL REPRESENTATIVES TO THE AEWA  
TECHNICAL COMMITTEE (TC) ON THE IMPLEMENTATION OF THE AGREEMENT TO  
THE MEETINGS OF THE COMMITTEE**

Information for this report shall be collated by regional representatives from the Contracting Parties of their respective region (see attached Annex 1), through the National and Technical Focal Points or other useful contacts.

1. Number of Contracting Parties in the region / number of Range States in the region. New accessions since the previous TC meeting. Actions by the regional representative to encourage non-party Range States to accede the Agreement.
2. Number of Range States (Parties and non-party Range States) that provided feedback for this report.
3. Activities to implement the AEWA International Single Species Action Plans relevant to the region (please check for the AEWA ISSAP as per Sections 1&2 of attached Annex 2)
4. Emergency situations (extreme cold, draught, toxic or oil spills, etc.) that have occurred and have affected waterbirds and/or their habitats since the last TC meeting and response to them.
5. New or major ongoing waterbird species re-establishment (reintroduction, supplementation) initiatives.
6. Activities on eradication or other type of action regarding alien species.
7. New or major ongoing activities on habitat (site) inventory, conservation or restoration and rehabilitation of waterbird habitats.
8. Progress of the region in phasing out the use of lead shot for hunting in wetlands.
9. New or major ongoing research and monitoring activities on waterbirds and waterbird habitats.
10. New or major ongoing education and information activities on waterbirds, waterbird habitats and the Agreement.
11. Problematic cases threatening waterbirds or their habitats (e.g. infrastructural developments, changes in legislation, etc.).
12. Extent of use of the AEWA Conservation Guidelines by the parties (please check for the AEWA Conservation Guidelines as per Section 3 of Annex 2)
13. Any other information.

## ANNEX 1
