The Standing Committee consists, at present, of representatives of six Contracting Parties being: Norway (Chair, Regional Representative (RR) for Europe and Central Asia), Uganda (Vice-Chair, RR for Eastern and Southern Africa), Ghana (RR for Western and Central Africa), Syria (RR for Middle East and Northern Africa), the Netherlands (Depositary) and France (Host MOP5).

Since its establishment in 2002, the Committee met annually between MOP2 and MOP3 and, due to budget limitations, only twice between MOP3 and MOP4 and twice during the ensuing quadrennium, between MOP4 and MOP5.

This report consists of a brief overview of the main activities of the Standing Committee since MOP4.

Meetings of the Standing Committee

During the period 2009-2012, two meetings of the Standing Committee have taken place, being the sixth and seventh meetings respectively from 16-17 June 2010 (The Hague, the Netherlands) and from 26-27 November 2011 (Bergen, Norway). Meetings of the Standing Committee have previously been held at the seat of the UNEP/AEWA Secretariat at the UN Campus in Bonn. However, during this quadrennium the two Standing Committee Meetings were both organized “back-to-back” with other international meetings in an effort to save time and funds. Hence the sixth Meeting of the Standing Committee took place in The Hague, Netherlands following the 15th Anniversary Celebration of the Agreement and the seventh Meeting of the Standing Committee took place in Bergen, Norway following the 10th Conference of the Parties of the Convention on Migratory Species (CMS COP). Although this arrangement of organizing meetings back-to-back did cut down the overall amount of travel of participants, it was, in hindsight, perhaps not as efficient as standalone meetings, due to the volume of preparations for multiple meetings.

At both meetings of the Standing Committee, progress made regarding the implementation of the Agreement was reviewed. The Standing Committee received written reports, which were presented by the Secretariat e.g. on the implementation of the Strategic Plan and the International Implementation Tasks (IIT) and noted that despite the limited resources available, good progress has been made in certain areas of work.

The Standing Committee also reviewed the actual financial situation based on the overviews presented by the Secretariat regarding income and expenditures since MOP4. The Standing Committee noted that the Secretariat does its utmost to ensure that the financial situation is and will remain a healthy one. The Standing Committee also agreed on how to allocate funds left-over in the core budget due to maternity leaves and the nomination of the former Executive Secretary to Acting Deputy Executive Secretary of the CMS Secretariat on a 50 per cent basis for over a year.

At each meeting, the Standing Committee received an update on the progress made regarding the implementation of the Communication Strategy. The Secretariat has also made significant progress in this area, taking into account the limited resources available. The World Migratory Bird Day campaign continued to grow and gain international recognition. The Standing Committee has again taken note of the success of WMBD, which has been celebrated annually since 2006.

Furthermore the Secretariat provided information on progress made regarding international reviews and several Single Species Action Plans, some of which are new (Slaty Egret, Bewick’s Swan, Greenland Greater White-fronted Goose) and others that are being updated (Red-breasted Goose and Sociable Lapwing). In addition, the first AEWA Species Management Plan is being developed for the Svalbard Pink-footed Goose population.
In the past inter-sessional period the Standing Committee, as the implementing body for the Implementation Review Process (IRP), dealt with three cases: Syria – illegal hunting of the globally threatened Sociable Lapwing, Montenegro – economic development threatening the salina of Ulcinj and Bulgaria – a windfarming project adjacent to Lake Durankulak putting the globally threatened Red-breasted Goose at risk. A complete IRP report is presented in document AEWA/MOP 5.16.

The 7th Meeting of the Standing Committee, which was the last before MOP5 was a very intensive meeting. During this meeting nearly all substantive documents and 18 draft Resolutions were reviewed. The meeting agreed that these draft documents could be submitted to MOP5 for formal adoption. In addition the Committee adopted Terms of Reference for the regional Standing Committee members (attached as Annex I). Furthermore the Committee reviewed and instructed the UNEP/AEWA Secretariat concerning the recruitment procedure for the new AEWA Executive Secretary.

Other activities of the Chair

The Chair of the Standing Committee has been involved in the recruitment processes for the post of Technical Officer (P-3) and for the post of Associate Programme Officer (P-2). In addition, the Chair has been involved in the interim arrangement and subsequent recruitment process for the post of Executive Secretary (P-4), together with the other members of the Standing Committee.

The Chair also participated in the AEWA 15th Anniversary Celebrations in The Hague, Netherlands on the 14-15 June 2010, where he chaired a Working Group session.

The Executive Secretary and Acting Executive Secretary respectively contacted the Chair at regular intervals throughout the quadrennium in order to provide an update on the activities of the Secretariat.

During that period, the chair has liaised with CMS personnel on relevant issues, including the Executive Secretary of the CMS. One important issue was the recruitment process for a permanent Executive Secretary of AEWA.
